

March 2022

Hi Every One

It look like it's time to start thinking about the market....although it's never far from my mind since I work on it most of the year. Last year was another great (and challenging) year and I want to thank you for your participation and support. Once again, I have been working hard and look forward to several new vendors joining us this year. .

You have received 4 attachments....this one with the application which includes your vendor name with contact information, the signature page and your grower or product information.

Please return the application along with any permits to Dot Chenevert 12 White Oaks Road, Hyde Park NY 12538. All applications must be received by May 1, 2019 (or sooner)

The second attachment is our rules and regulations as well as our contact information. Pay particular attention to page 2 of the Rules and Regulation. Please keep this for your files and return only the pages indicated in the application.

The third attachment is a poster for our market. I hope you will copy this and put them around your neighborhood or at your events.

As in the past, I hope to have a vendor get together some time in May. I will send the invitations when I have the date, place and time.

Thank you again to those who have been with us and welcome to those who will be joining!! We look forward to an even bigger and better market this year.

Please call with any questions.

Most Sincerely and Stay Safe:

Dot.
